# RACE INFORMATION

# **Transportation to the Start Line**

Drive, take a shuttle, BART bus, bike or walk (or run!) to the race – we have multiple options available for race participants. You can buy a <u>BART/Bus ticket</u> ONLY here.

Learn more about race weekend transportation and lodging here.

# **Parking**

The Center Street Parking Garage will open at 6am on race day. Normal parking rates apply. All other city lots will open at the regular times.

Two parking lots near the Berkeley High School campus will be open on race morning, starting at 6:00 am. They are located at <u>Bancroft Way and Milvia St.</u> and at <u>Durant Ave. and Milvia St.</u>, close to the Main Start Line, and can only be accessed on race morning from Shattuck Ave. The suggested contribution is a minimum of \$20 (cash only). Proceeds are tax deductible and will benefit the Berkeley High School.

# **Race Day Bike Valet**

We encourage locals to bike to the Start Line on Race Day and enjoy our free bike valet service located in the northwest corner of Civic Center Park near the corner of MLK and Center St. The Bike Valet will be open from 6:00 am - 1:00 pm. Bikes that remain in the bike valet after 12:30 pm will be transported to the Bike Valet vendor's office at the owner's expense.

# **Race Weekend Public Transportation**

All public transit systems will be running as regularly scheduled throughout Race Weekend (please note the race start time is before Bart opens). To get around on time, we encourage runners to avoid driving on Race Weekend and use one of the other methods included in this guide instead. If taking public transportation in the Bay Area, plan your trip in advance with <u>511.org</u>.

# **Race Traffic Advisory**

Thank you to all Berkeley residents for enabling us to stage the Biofreeze Berkeley Half Marathon in this amazing city. To help plan their travel on race day, we invite runners, spectators and the community to refer to our Race Traffic Advisory page for updated traffic impact information. We especially encourage those driving/being driven to the event to review.

#### **Gear Check**

Check your gear at Allston way just across from the High School, at the exit of the Finish Chute. Gear Check will be available starting at 6:30am. You must use the clear bags provided at the Packet Pick Up for your items. Please write your bib number on the gear check bag you receive at the Packet Pickup. This will ensure a speedy pickup at the finish of your race.

#### Please Note:

- Drop your bag off securely tied
- The Biofreeze Berkeley Half Marathon is not liable for any lost, stolen, or damaged items
- Don't place any valuable or heavy items (such as keys, phones, electronics or money) in your bag
- Don't over-stuff your bag
- Runners must show their bib to pick up their bag at the end of their race.
   Gear Check closes at 12:30pm. You are not allowed to retrieve a bag for someone else.

#### **Lost and Found**

Any items found on the course or after the race will be brought to the Info Booth at the Finish Line Festival. Go to the Info Booth if you have lost or found an item. All lost and found items and/or gear bags not claimed at the end of race day will be returned to The Biofreeze Berkeley Half Marathon management.

# **Claiming Left Gear Check Bags or Lost Items**

You have 5 days to claim your Gear Check Bag and/or lost items or contact us about shipping them back to you after the race. There is a \$15 domestic shipping charge for shipping bags and/or items back to you. All unclaimed items will be donated to charity after two weeks. For questions, please contact us at customersupport@berkeleyhalfmarathon.com

#### **Information Booth**

If you have additional questions during race weekend, please visit our Info Booth at Packet Pickup on Friday and Saturday or at the Finish Line Festival on Race Day.

#### The Courses

All course details, including course and elevation maps, water and aid stations, course time requirements, and more, can be viewed on our <u>course overview page</u>.

#### **Pacers**

Run our Half Marathon with one of our pace groups and achieve your race day goals. Our experienced Pacers will deliver you to the finish line on time. Any registered runner can join a pace group for free. Just look for your pacers in your corral (you'll know them by their special race day gear and their sign with pace and EFT) and follow them. For a list of all pace groups, please see our Pacer Group Info Page.

# **Course Time Requirements**

All participants are required to finish their race within the following time frames:

- Half Marathon: finish within 4 hours or an 18:20 minute/mile pace
- 10K: finish within 2 hours or a 19:19 minute/mile pace
- 5K: finish within 1 hour or a 19:21 minute/mile pace

The Main Finish Line (Half Marathon and 10K) closes at 11:45 am and the 5K Finish Line closes at 9:45 am. Runners who come in after this time will not be considered official finishers. If anywhere along the course you fall behind that pace time, it is likley that water stops and aid stations will have shut down as we are required to open streets back up based on that closure. If you do not finish under the course limit, we can not guarantee you a medal or official finisher's time. The Finish Line closes at 11:45 and the Festival closes at 12:30 pm.
